

Balloon Show

Magical Balloon-dude Dale

TECHNICAL REQUIREMENTS

for small venue performances

Show Overview: Self-contained, high-energy comedy balloon show with physical comedy, music, and audience participation. The show is totally captivating without the use of: profanity, adult humor, fire, knives, chainsaws, or live animals.

The Audience: Appropriate for all ages, appealing to all ages. The Balloon Show goes over best with an audience of between 50 and 500 people.

Length of Show: Usually 40-45 minutes, depending on the audience. The show can be shortened to any length or broken up into two completely different 30 minute shows.

Performance Space

- Minimum space – 12’ deep x 15’ wide x 8’ high
- Access to audience for participation
- A clean, level and solid performance space
- Working electrical outlet near performance space

Personal Requirements:

- A washroom nearby
- 1 bottle of water
- A complimentary parking space for a vehicle

Sound & Lighting:

Dale will provide a sound system. If you provide a sound system, the minimum requirements is microphone. Good acoustics and lighting are essential to the overall quality of the show.

Outdoor Events:

Dale’s Balloon Show works best when sheltered from high winds, direct sun light and temperatures extremes.

Please contact Dale if you cannot provide any of the above items.

Thank you!
