

FAMILY ENTERTAINMENT

HILARIOUS!

Relaxing parent's watches children laugh and be entertained while on looking adults find the balloon art fascinating. Intrigued family members watch to a point that they too must participate. They stand among the kids laughing, watching, and waiting for their turn to get a custom balloon animal.

Dale's years of experience will create a picnic that allows all to interact and the entertainment to happen flawlessly.

To guarantee this, Dale and company **will work with you and the committee** to make the entertainment go as intended.

Performing since 1988, Dale's comedy and artistry never fail to win over even the most demanding, hard-to-please crowds.

Dale is available for stage show or walk-a-round entertainment.
