

FAMILY BALLOON ENTERTAINMENT *HILARIOUS!*

Relaxing parents watch children laugh and be entertained while on looking adults find the balloon art fascinating. Intrigued family members watch to a point that they too must participate. They stand among the kids laughing, watching, and waiting for their turn to get a custom balloon animal.

Dale's years of experience will create audience interaction and the entertainment to happen flawlessly.

To guarantee this, Dale and the company **will work with you and the committed** to making the entertainment go as intended.

Performing since 1988, Dale's comedy and artistry never fail over even the most demanding, hard-to-please crowds.
